TechLaw Solutions Hires Pete Thompson as Regional Director

Chantilly, VA – November 15, 2007 – TechLaw Solutions is pleased to announce that Pete Thompson has joined the company as its Southeast Regional Director, based in our Chantilly, VA headquarters.

Pete has experience in all aspects of litigation support from data collection to processing and production, and has been involved in workflow and project management activity in addition to sales. Pete's background includes over 15 years of success in consultative sales and implementing eDiscovery sales training programs. Much of that time has been focused in the litigation support industry working with corporate and law firm clients.

“Pete's experience will be of great value in helping clients review litigation support and eDiscovery programs to address their goals and opportunities to streamline processes,” stated Chris Anzivino, National Sales Director at TechLaw Solutions. Pete's most recent experience as Director of Consulting at Aptara was highlighted by dramatically increasing activity in their Washington, D.C. office. Prior to that Pete was with Encore Legal Solutions. Pete has a BA in Communications from the University of Washington and the University of Maryland.

Pete can be reached at pthompson@techlawsolutions.com or 703.232.7199.
