TechLaw Solutions Named Top eDiscovery Services Provider

Top 5 and Top 10 rankings in the 2008 Socha-Gelbmann eDiscovery Report highlight capabilities and trust offered by TechLaw Solutions

Chantilly, VA – July 23, 2008 – TechLaw Solutions has been named a top provider in multiple categories in the industry-leading Socha-Gelbmann Electronic Discovery Survey Report.

TechLaw Solutions is ranked among the Top 5 Electronic Discovery Service Providers in Processing and Top 10 Electronic Discovery Service Providers in Experience and in Corporate Rankings.

“Being acknowledged for our service to the industry, especially by such a thorough methodology, is a rewarding highlight of the efforts we exert to provide uncompromising results for our clients,” stated Mel Goldenberg, President of TechLaw Solutions. “Our combination of value provided and cost-effective, low risk methodologies continues to be of great importance to clients.”

Information is gathered from providers, consumers and other sources within the electronic discovery market. The 2008 Survey examines the state of electronic discovery in 2007, discussing market size and scope, as well as developments, concerns, provider standing and more within the e-discovery industry, and makes projections for 2008 through 2009. The 2008 Socha-Gelbmann Electronic Discovery Survey is an independent survey conducted by consultants George Socha and Tom Gelbmann.
